

Name _____

CHAPTER 3 / The Five Themes of Geography

The Five Themes of Geography are:

Location: Where is it?

Place: What is it like there?

Movement: How are people, goods, and ideas connected?

Human Environmental Interaction: How do people interact with the environment?

Region: What characteristic(s) unify the area?

Using information from the chapter, choose one tribe and describe their society and culture in terms of the Five Themes of Geography.

Tribe: _____

Location: _____

Place: _____

Movement: _____

Human Environmental Interaction: _____

Region: _____
