

## CHAPTER 9 / Comparing Information on a Map

Study the maps below. Then answer the questions that follow.

- What is the name of Map A? Map B? (Northern Pacific Railroad & Great Northern Railway Routes) & (Indian Reservations 1870 & 1890)
- Which railroad has a more northern route? **Great Northern Railway**
- The Great Northern Railway travels through, or borders, which Indian reservations? **Fort Peck, Fort Belknap, Blackfoot Reservation, and Flathead Reservation**
- The Northern Pacific Railroad travels through, or borders, which Indian reservations? **Crow**
- Using the maps and information from your reading, list the major tribes in Montana affected by the railroads. What are some of the main reasons that the tribes ceded (gave up) land between 1870 and 1890? **They need the money from the sale of the land**
